

EDR-260

Cordless convenience in a heavy-duty drill.

- Heavy-duty gear reduction converts engine power into tough drilling torque
- All-position diaphragm with purge pump carburetor allows operation at any angle
- 1/2" keyless chuck
- Reversible function

Pro-Fire® electronic ignition
for quick easy starts

Throttle lock-out
prevents accidental drill bit rotation

Heavy-duty keyless chuck holds up to 1/2" drill shank

The EDR-210 and EDR-260 offer a reversing feature for maximum operator convenience and versatility.

Ergonomic front handle provides a comfortable grip for long hours of operation

Commercial-duty air filtration system

See-through fuel tank with 14 fl oz capacity (standard on all units)

Sturdy double rear support bracket

ENGINE DRILLS

ECHO Quality Backed by an Extensive Warranty
