

POWER PRUNER[®]

FAR-REACHING-ASK ANY PRO

“The ECHO pruners are strong, durable and efficient. And they last season after season”

— Eliazar Lua
Stockton, CA

POWER PRUNER®

Reach New Performance Heights with ECHO Power Pruners®.

Power Pruners® provide fast, easy and safe pruning for those hard-to-reach applications. The light-weight design and comfortable controls ensure maximum operator comfort. A new, heavy-duty gearbox features dual-sealed bearings, spiral cut steel gears and a manual grease port for maximum lubrication, durability and cutting performance. An automatic, adjustable oiler delivers the right amount of oil, every time, for exceptional chain lubrication. Side access chain tensioning system improves cutting performance and extends bar and chain life. Telescoping shafts and optional extensions provide added reach for cutting flexibility. ECHO Power Pruners® deliver commercial-grade performance and optimum tree care versatility.

7.6 fl oz oil reservoir with easy fill opening

Durable gear case cover for increased longevity

Unique telescoping shaft

PPT-265 shown – see page 16 for more product information.

Automatic, adjustable chain oiling system

Side access chain tensioning system for easier, safer chain tightening

Branch extractor for easy removal of troublesome branches

Easy to grasp ergonomic handle with rubber over-mold for added comfort and improved handling

High volume felt air filter maintains clean incoming air for longer engine life

i-30™ Starting system provides 30% reduction in starting effort

25.4 cc Power Boost Vortex™ engine for plenty of cutting power

PPF-225

Fixed shaft Power Pruner® cuts tough jobs down to size.

- 21.2 cc Power Boost Vortex™ engine
- 30% reduction in starting effort
- Rubber left and right handle grips
- 7'9" long with 3' extension also available
- Side-access chain tensioning system
- Shoulder strap included
